

**BWI AIRPORT FIRE AND RESCUE DEPARTMENT  
FIRE PREVENTION DIVISION  
PERMIT FOR OPEN FLAME/HOT WORK OPERATIONS**

**INSTRUCTIONS:** This permit (Sections A through E) must be completed for all operations involving open flames or producing heat and/or sparks. The permit applicant is required to read and comply with the applicable requirements of NFPA 51B, *Standard for Fire Prevention During Welding, Cutting, and Other Hot Work (Current Edition)*. **This completed form shall be posted and/or available at the job site.** Work site locations are subject to inspections. Failure to comply with the provisions of the permit will result in immediate revocation of the permit and stoppage of all associated hot work or other activity.
