## AIRPORT WASTE DISPOSAL FACILITY SCHEDULE

---

### Purpose

The purpose of this Tenant Directive is to provide the daily schedule for the emptying of sanitary waste vehicles.

### Reference(s)

Code of Maryland Regulations 11.03.01.07H, Aircraft Toilet Waste

### Scope

This Tenant Directive is applicable to all tenants who empty sanitary waste vehicles at Baltimore/Washington International Thurgood Marshall (BWI Marshall) Airport.

This Tenant Directive supersedes BWI Tenant Directive 502.2 dated July 12, 2002.

### Definition(s)

N/A

### Responsible Party:

Director, Office of Facilities Maintenance

---

## DIRECTIVE

### I. Directive Statement

The Maryland Department of Transportation Maryland Aviation Administration is responsible for providing the schedule for emptying sanitary waste vehicles.

## II. Procedures

- A. The daily schedule for the emptying of sanitary waste vehicles is indicated below. It is based on peak requirements in that the Waste Disposal Facility is not manned on a 24-hour basis. Dumps should be made as early as possible in each time block. The Waste Disposal Facility is located on the entrance road to the BWI Marshall Airport Fuel Farm.

0000-0130  
0830-0930  
1300-1400  
1630-1730  
2030-2130

- B. If there are special occasions that require additional hours of operation, please contact Building Maintenance at 410-859-7200 or Airport Operations at 410-859-7018 to schedule a Waste Disposal Facility opening.
