BAGGAGE HYGIENE REQUIREMENTS FOR COMMON USE BAGGAGE BELT SYSTEMS

The Maryland Aviation Administration is disseminating this Information Advisory to inform all BWI Marshall Airport tenants and users of the **Baggage Hygiene Requirements and Best Practices** for efficient and proper baggage system utilization of all Common Use Baggage Belt Systems throughout the Airport.

Please see the attached document which explains the process and recommended practices for the use of these systems. This information has also been posted at all of the Common Use Baggage Belt Systems and ticket counter locations for easy reference by airline personnel.

If you have any questions or concerns regarding the proper use of the Common Use Baggage Systems, please contact the Airport Operations Center at 410-859-7018.
