EMPLOYEE TERMINAL LOT

There have been many concerns raised to the MDOT MAA Office of Ground Transportation and the MDOT MAA Office of Safety & Risk Management regarding unsafe driving practices by employees while operating in the Terminal Parking Lot (located behind the Hourly Garage).

Please follow the posted speed limit signage of 15 mph and follow roadway directional arrows and lane markings. Operating across lanes and speeding has led to accidents and near-miss incidents.

Following the above requirements will help to ensure the safety of all users of this parking location.

If you should have any questions or concerns, please contact the Office of Ground Transportation at 410-859-7125 or the Office of Safety & Risk Management at 410-859-7326.
