BGE SUBSTATION MAINTENANCE

BGE will be performing maintenance on equipment requiring an outage of the South Substation from Friday, March 27, 2020 through Saturday, March 28, 2020 and resume Monday, March 30, 2020 through Tuesday, March 31, 2020. During this work, loads will be temporarily transferred to the North Substation. Outages are not anticipated, but all tenants in the affected areas should take precautionary measures in the event a power outage does occur. In the event of a power outage, all life safety and security systems including fire protection and emergency lighting systems will operate as designed utilizing backup power. If there should be an interruption to electrical services unexpectedly, please contact the Building Maintenance Supervisor's office at 410-859-7200.

Friday, March 27, into Saturday, March 28, 2020

Monday, March 30, 2020 into Tuesday, March 31, 2020

11:30 p.m. – 2:45 a.m.

Equipment to be serviced: South Main 34 KV Sub Transformer, HV Breakers and relays
(Momentary outages possible)

Affected areas: Entire Terminal including all Concourses, Central Utility Plant, Daily Garage, Hourly Garage, Airfield Lighting Vault, Apron lights, BWI Marshall Fire and Rescue Department, Runway 15R Deicing Pump Station, and Runway 28 Deicing Pump Station

Anyone having concerns with the work or specific operational needs should contact the Maryland Aviation Administration as follows:
