BIENNIAL BRIDGE INSPECTION

Between Monday, June 1, 2020 and Friday, July 17, 2020, RK&K, LLP and Allied Contracting will be performing the routine inspections for assessment of the condition of the bridges around the Airport.

Inspections will take place on the bridges near the Terminal Building and around the Airport at the following locations:

- Upper Level Roadway Bridges
- Skywalks, including the undersides, outsides, and interiors
- Hourly Garage entrance and exit ramps
- Rental Car Access Road underpass
- Elm Road overpass
- Return Ramp overpass
- Northbound I-95 westbound over Terminal Road
- Terminal Road over Sachs Branch
- Bridges at Entrance and Exit Ramp to Consolidated Rental Car Facility
- Concourse C Tunnel

Inspections for the Hourly Garage will be conducted during regular business hours. A maximum of one ramp will be closed at any one time to traffic, and the closures will be kept to a minimum. No lane closures of the Lower Level Express Lane will be required.

Inspections utilizing the Lower Level Roadway will require a one lane closure for a 200-foot interval at a time, with one lane of traffic maintained at all times through the use of cones/flagmen.

Lower Level Roadway closures will only occur between 11:00 p.m. and 7:00 a.m. Upper Level Roadway closures will only occur between 10:00 p.m. and 6:00 p.m. Traffic disruptions will be kept to a minimum.

Airport Operations (410-859-7018) will be notified each day and night prior to closing lanes/ramps and upon re-opening lanes/ramps.

The points of contact are Joseph Chalk (RKK) at 443-540-4719 and Alex Ollerman (MAA) at 410-530-9139.
