PRIMARY RUNWAY REPAIRS AT BWI MARSHALL AIRPORT

Construction work is slated to begin for the Primary Runway Repairs project for the 2020 construction season. The construction in 2020 will consist of a single light replacement on Runway 10-28 along with subsequent pavement patching surrounding the light. Runway 10-28 will be impacted as follows:

November 2 through November 5, 2020 (pending weather): Runway 10-28 CLOSED

As applicable, this work will be coordinated between Maryland Aviation Administration (MAA) Airport Operations, MAA Airport Security, MAA Maintenance, and all other affected tenants. If weather or other factors prevent this work from being accomplished within the time frame allocated, the work schedule will slide and the completion time will be modified.

The points of contact for this project are Brian Crandell (717-688-8614) and Marcus Snyder (814-341-5123) with Michael Baker International.
