TAXIWAY T RECONSTRUCTION PHASE 1A

Phase 1A of the Taxiway T Reconstruction project is scheduled to commence on or about April 19, 2021. The work includes but is not limited to: Portland cement concrete and asphalt pavement demolition, excavation, erosion and sediment control measures, new Portland cement concrete pavement, new bituminous concrete pavement, new shoulder pavement, mill and overlay of existing asphalt pavement, and removal and installation of airfield lighting. Revised pushback and power-back procedures will be in effect for adjacent gates. Impacts are as follows:

On or about 19 APRIL through 10 JULY (pending weather)

Impacts: Taxiway T CLOSED between Gate A3 and Gate A9

On or about 11 JULY through 3 OCTOBER (pending weather)

Impacts: Taxiway T CLOSED between Gate A2 and Gate B6

As applicable, this work will be coordinated between MAA Airport Operations, MAA Airport Security, BWI Maintenance, Southwest Airlines, and other affected tenants. If weather or other factors prevent this work from being accomplished within the time frame allocated, the work schedule will slide and the completion time will be modified.

The points of contact for this project are:

Operations: MAA Airport Operations at 410-859-7018

Construction: Michael Baker International - Chris Eaton at 717-668-9115 and Marcus Snyder at 814-341-5123
