

# TENANT INFORMATION ADVISORY

**Retention:** October 30, 2021

---

**September 24, 2021**

**21-024**

## **BGE NEW FEEDER FOR SOUTH MAIN SUBSTATION**

---

Maintenance is scheduled for the following electrical equipment at Baltimore/Washington International Thurgood Marshall Airport. All tenants in the affected areas should take precautionary measures for a power outage on each of the dates listed below. The known outages provide a good opportunity for tenants to test UPS systems. In the event of a power outage, all life safety systems including fire protection and emergency lighting systems will operate as designed utilizing backup power. If there should be an interruption to electrical services unexpectedly, please contact the Building Maintenance Supervisor's office at 410-859-7200.
