RAPID OVERHEAD COILING DOOR REPLACEMENT AT CONCOURSE D DOOR NT110R

On or about November 15, 2021, Baltimore Contractors Inc. (BCI) is scheduled to begin replacement of existing overhead rollup door NT110R and associated utilities in Concourse D. The anticipated duration of construction is seven calendar days from November 16 through November 23. All work is scheduled to be performed nightly between the hours of 10:00 p.m. and 4:30 a.m. A separate tenant advisory will be issued for the electrical connections to be performed.

This work should not affect any tenants as all construction will take place overnight. Door NT110R will remain open and/or operational during daytime hours (as currently operated).

The point of contact is Niqui Clark, Resident Engineer (Hill International) at 602-326-8880 (cell).
