## **RAPID ROLLUP DOOR NT110R REPLACEMENT ELECTRICAL PANEL OUTAGE**

---

On November 19, 2021, beginning at 1:00 a.m., Baltimore Contractors Inc. (BCI) is scheduled to replace the existing electrical equipment for overhead rollup door NT110R in Concourse D. Work includes connection of new electrical system components to existing electrical panel for rollup door power and access control.

This work will require an electrical outage that will take place overnight between the hours of 1:00 a.m. and 4:00 a.m. All tenants in the affected areas should take precautionary measures for a power outage during this time. In the event of a power outage, all life safety systems including fire protection and emergency lighting systems will operate as designed utilizing backup power.

If there should be an interruption to electrical or HVAC services unexpectedly, please contact the Building Maintenance Supervisor's office at 410-859-7200.
