The Final EA and FONSI/ROD document that the project is consistent with the National Environmental Policy Act of 1969 (NEPA) (42 USC § 4321, et seq.), its implementing regulations (40 CFR Parts 1500-1508), and FAA directives (Orders 5050.4B, *Airport Environmental Handbook* and 1050.1F, *Environmental Impacts: Policies and Procedures*), Council on Environmental Quality regulations, the requirements of Section 106 of the National Historic Preservation Act, Department of Transportation Act of 1966 Section 4(f), and all other applicable special purpose laws.
