OPERATIONS SAFETY BULLETIN OSHA/MOSH Notification

The Maryland Aviation Administration (MAA) continues to manage the safety of our facilities utilizing the principles and model of Safety Management Systems. Identifying risks and hazards are critical to the safety of our operating environment which includes our tenants, contractors, customers, visitors, and employees.

The MAA Office of Safety and Risk Management is asking that all OSHA/MOSH visits be reported to their office as a best practice. Please report all visits via email or telephone. See contact information below:
