## ***BWI RESTROOM PROJECT – BR.1 DOMESTIC WATER AND SANITARY TIE-IN DOMESTIC WATER OUTAGE***

---

As part of the ongoing BWI Restroom Project, Whiting-Turner and WG Tomko will perform work to tie-in the new domestic water feeds and sanitary piping to the existing lines. This work will take approximately two nights to complete; one night for each system. Work will be performed on the following dates/times:

- August 17 at 10:00 p.m. through 4:00 a.m. August 18
- August 18 at 10:00 p.m. through 4:00 a.m. August 19

The tie-in process will require a domestic water outage and will affect the following areas:

### Domestic Water:

Domestic water will not be available on the Upper Level from Gates B2 through B10 while work is occurring. Concessions within this area will be affected.

### Sanitary Piping:

The sanitary tie-in will close the women's restroom and janitor closet adjacent to Gate B3 and Zona Cocina across from gate B3.

This work is being coordinated with MAA Maintenance and affected tenants. Fire suppression systems will not be affected.

The point of contact is Oleg Miklush (JMT) at 248-320-2288.
