## **RAMP SAFETY/FOREIGN OBJECT DEBRIS (FOD) WALK AND FALL CLEAN-UP EVENT**

---

The annual Ramp Safety/FOD Walk is scheduled for Wednesday, October 26, 2022, beginning at 10:00 a.m. on the Commuter Concourse Ramp at Gate D44. The purpose of the Ramp Safety/FOD Walk is to identify safety concerns and remove FOD from the Ramp areas of the Airport which create a hazard to aircraft and people through engine ingestion and flying debris.

The Ramp Safety/FOD Walk will consist of an event check-in beginning at 10:00 a.m. followed by a Ramp FOD Walk at 10:30 a.m. The Walk will last approximately one to two hours. Participants will be provided with gloves, earplugs, and garbage bags. Please dress appropriately for the weather. The event will be held rain or shine.

Maintenance crews will be assisting throughout the day with this clean-up effort. Items that will not be picked up include hazardous substances, empty barrels, tires, batteries, aircraft/vehicle fluids and their containers, aircraft parts, and corrosive materials.

Please direct any questions concerning this event to Blakely Hobson at 410-582-1755 or Ben Martinez at 410-859-7346.
