## BIENNIAL BRIDGE INSPECTION

---

Between Wednesday, May 29, 2024 and Friday, June 15, 2024, CST Engineering, Inc. will be performing required routine inspections for assessment of the condition of nine (9) bridges adjacent to the Terminal and parking garage.

Inspections will take place on the bridges at the following locations:

- Upper Level Roadway Bridge in front of Concourses B and D
- Lower Level Roadway in front of Concourses B and D
- Hourly Garage Concourse C Pedestrian Tunnel
- Hourly Garage entry and exit ramps
- Skywalks A, B, and D

Inspections utilizing the Lower and Upper Level Roadways will require a one lane closure for a 200-foot interval at a time, with one lane of traffic maintained at all times through the use of cones/flagmen.

Lower Level Roadway closures will only occur between 11:00 p.m. and 7:00 a.m.

Upper Level Roadway closures will only occur between 10:00 p.m. and 6:00 a.m.

Only one ramp will be closed at a time at the Hourly Garage.

Traffic disruptions will be kept to a minimum.

A manlift will be utilized for half of the under-bridge inspections and will be stored on-site when not in use. A bucket truck will be utilized for the remaining under-bridge inspections and will be stored off-site when not in use.

Maryland Aviation Administration (MAA) Airport Operations (410-859-7018) will be notified each day and night prior to closing lanes/ramps and upon re-opening lanes/ramps.

The points of contact are Jeffrey Smith (CST) at 410-409-5847 or Alex Ollerman (MAA) at 410-859-7090.
